

## **Press Release**

### **Hailsham & District Twinning Association Now Online**

The Hailsham & District Twinning Association has recently launched their website at [www.hailsham-gournay.org](http://www.hailsham-gournay.org).

The website provides general information on the history of the twin towns of Hailsham and Gournay-en-Bray and includes details on the functions of the Twinning Association, the committees, photo galleries, membership, forthcoming community projects, and more.

Vice Chairman of the Hailsham & District Twinning Association and Town Mayor Ian Haffenden said: "We will be using the Twinning Association website to both communicate with existing members and attract new ones. Newsletters, press releases, photographs and other useful information will be posted on the website on a regular basis."

He added: "It is early days yet for the website, and we would be grateful for any feedback people may have. It is our intention to make the new website as informative as possible to extend interest in and awareness of the twinning message, therefore, any ideas to improve it further would be most welcome."

Hailsham & District Twinning Association is an independent, self-financing organisation, which operates separately from the civic links between Hailsham and its twin town, Gournay-en-Bray. Membership of the association is open to individuals in Hailsham and its environs.

If you are interested in becoming a member of the Hailsham & District Twinning Association or would like more information on its fundraising activities, please telephone Paul Simmons on 01323 845006, John Puttick on 01323 441787, or Terry Hall on 01323 841702.
