

Press Release:

**Hailsham & District Twinning Association: Next Open Evening
Wednesday 24th September**

A special open evening will be held at the Hailsham Town Council Offices, Inglenook, Market Street, Hailsham, on Wednesday 24th September, to discuss the expansion of additional links with Gournay-en-Bray, the French town Hailsham is currently twinned with.

Vice Chairman and founder member of the Hailsham & District Twinning Association Ian Haffenden says:

"I look forward to a good turn out for the next public meeting. As a historic town, we are proud of the friendship we have established with Gournay-en-Bray over the past nine years. This relationship provides a number of reciprocal benefits, not least a greater understanding and appreciation of the different culture, history and language of the town with whom we are twinned."

He continues: "To achieve these aims, the Twinning Association would welcome the involvement of as wide a span of the town's active associations and residents as possible, including cultural and sporting organisations, industrial and commercial enterprises, senior citizens and youth groups."

The meeting will be open to both existing Association members and the general public to attend, will be an informal affair and include light refreshments. The meeting will run from 7.30pm.

For further information, please contact Paul Simmons on 01323 845006 or Terry Hall on 01323 841702.
